Guhan K
Frontend Developer

Guhan K,
116/10, Selvananthan Nagar,
Mannargudi,
Tiruvarur, TN – 614001
Phone No: (+91) 6383463850
Email: guhankumar656@gmail.com,
My Website: https://dynamic-nasturtium-998e44.netlify.app/

Skills

Languages: Javascript

Technologies: HTML, CSS, Javascript, Boostrap, ReactJs, Git.

Experience

Waila Technology / Frontend Engineer
Oct – 2022, PRESENT, Nagercoil
Role: Frontend developer

Working with the team to design a scalable web application implementing with reusable components by using Reactjs.

Responsive Design: My experience as a frontend developer involves creating web applications that look and function well across various screen sizes and devices. I proficient in using CSS and media queries for responsive design.

State Management: I have skills in managing the state of your React applications, using tools like React's built-in state management or external libraries like Redux.

API Integration: I have integrated RESTful APIs or GraphQL endpoints into React applications, enabling them to fetch and display data from servers efficiently.
